FOR IMMEDIATE RELEASE

November 11, 2011 (Columbus, Ind.) – David L. Elwood, Ph.D, Chairman of Elwood Staffing Services, Inc., has been listed among “100 Who’s Who” leaders in the staffing industry in the October 2011 issue of *SI Review* magazine. The list, according to the magazine, recognizes those “people who have made a difference to the industry and thereby positively affected the lives of hundreds, if not millions” of workers. Dr. Elwood has been instrumental in the growth and development of Elwood Staffing, taking it from a local pre-employment testing and consulting firm in the 1980s to one of the 20 largest light-industrial staffing firms in the United States in 2011.

“As a company, we are tremendously grateful for my father’s contributions,” says Mark Elwood, CEO. “As a son, I am extremely proud to see those achievements recognized across a larger landscape.”

Elwood Staffing is based in Columbus, Indiana, and serves over 60 markets throughout the United States. Recently, *Staffing Industry Analysts* recognized Elwood Staffing as the 19th largest light-industrial and 57th largest overall staffing firm in the United States. The company was also recognized as the largest staffing firm in Alabama and the 2nd largest firm operating in Indianapolis, IN. Projected sales for 2011 are \$280 million.
