(Columbus, IN.) March 3, 2017—Elwood Staffing® Chairman and CEO Mark S. Elwood was recently selected by the editorial team of Staffing Industry Analysts (SIA) for its 2017 Staffing 100 leadership list.

The list recognizes leaders across the staffing industry for the significant impact they have made on the workforce solutions ecosystem by innovating, inspiring others, and above all, pushing the boundaries of excellence in staffing. This year signifies the third time Mark has made SIA's Staffing 100 list in its six-year history. The individuals honored with the Staffing 100 recognition represent companies ranging from traditional staffing firms to online platforms as well as a variety of positions, aspects, and lines of service in the staffing industry.

"I am extremely honored and humbled by this recognition and realize if not for the hard work and dedication of Elwood's more than 1,000 team members, my name would not appear on this list," said Elwood Staffing Chairman and CEO, Mark S. Elwood. "To see my name alongside such ambitious and talented industry peers is truly a privilege and something I reflect on with great pride."

Elwood Staffing continues to grow and flourish under Mark's leadership, further positioning itself as a major contender in the staffing industry.
